## In the galleries

"The Abstract Show" has opened at Fort Worth's ArtspaceIII gallery, with work by Carly Allen-Martin, Matt Clark, Amy Herzel, Winter Rusiloski and Ron Watson. Allen-Martin and Clark use a variety of paints and grounds for surface effects with extreme dimension, Herzel creates micro drawings and Watson goes full-on 3-D with modular sculptures either wall mounted or free-standing. A more traditional abstract by Rusiloski is inspired by the local landscape of flat land and vast sky.

**Through Aug. 3. III Hampton St., Fort Worth. Free. 817-692-3228, www.artspaceiii.com**
