

Benjamin Muñoz

www.benjaminmunoz.com . . thebenmunoz@gmail.com

Summary

An award-winning Texas based artist. Muñoz's work is often reflective of his heritage, upbringing, and current surroundings. Muñoz has artwork in several private and public collections across the United States such as the Mexic-Arte Museum and the National Museum of Mexican Art. He is also heavily involved in the Texas art community, he is the co-founder and director of Familia Printshop, Dallas's first and only community printshop. He also currently serves as board president of Print Austin, an annual month-long printmaking festival located in Austin, Texas. Muñoz has had work published by the Flatbed Center For Contemporary Printmaking and Coronado Print Studio. His work has been reviewed and discussed in multiple publications such as D Magazine, Glasstire, and The Austin Chronicle.
